AACOG Regional Law Enforcement Academy Rules & Guidelines

1. **Who can attend Training:** AACOG Academy training is for all peace officers, probation & parole officers, corrections officers, and telecommunications specialists. Federal and military law enforcement are allowed to attend AACOG training. Texas School Marshals and certain civilians in criminal justice occupations can attend certain classes with Academy Manager approval. Anyone who is currently between law enforcement agencies (not currently commissioned) can also attend as long as they do not currently have their TCOLE license suspended or revoked.
2. **Method of Payment** - The primary method of payment is by credit card online payment when registered for a class through the www.aarlea.com training portal. Academy also accepts credit cards and debit cards over the phone. If paying with a credit card over the phone, a credit/debit card fee (4% of tuition) is added to credit card and debit payments. Training can also be paid by check or money order, AACOG no longer can invoice an officer's agency, unless it is a special circumstance. Payment is due before the day of class.
 - **Cancellation Policy**
Students needing to withdraw from a course should contact academy staff at (210) 362-5291 or academy@aacog.com no later than 72 hours prior to the scheduled start time of the class. Failure to do so may result in a 25% cancellation fee. Repeated violations of the 72-hour cancellation policy may result in restricted ability to register for future courses.
 - **Agency Discounts**
Agencies registering multiple students (10 or more) for a course may be eligible for a 10% discount. Contact the Academy Manager at (210) 362-5291 for details.
3. **Dress Policy** – The AACOG Law Enforcement Academy is a place of business. **No one will be admitted to training wearing shorts, flip-flops, or any clothing deemed inappropriate or offensive.**
4. **TCOLE PID#’s** – TCOLE went to Personal Identification Numbers (PIDs) for all Texas peace officers years ago. These numbers are required in order for a peace officer to receive credit for training.
 - **Officers are responsible for having their TCOLE PID# at the beginning of class.** If you do not know your PID#, ask your training officer/administrator beforehand or contact TCOLE directly: 512-936-7700.
5. **Classroom Etiquette** – Understandably, some people may need to have their cell phones on during training. Please have the phones on vibrate or silent, and if you need to take a call, quietly exit the classroom and take your call outside the room.
 - **Texting in the class** – As a general rule, this should be done **sparingly**. This will be left to the individual instructor for each class as to what level of texting is acceptable. Please keep it reasonable and related to business or emergencies.

General Behavior – Although rarely a problem, it should be noted that anyone who is disruptive or interfering with instruction during training will be asked to leave and the administrative head for their agency will be notified.
